

Shiloh Ranch Ministries

Horse Sponsorship Program

The horses at Shiloh Ranch play a very important role. They help us break down the barriers that so many of the youth that visit the ranch harbor. The horses have a very special way of developing a trust and hope that many of the kids do not have. The horses are as important as the volunteers at Shiloh Ranch. Shiloh Ranch offers our horses a safe and enjoyable life with a great purpose.

Please consider sponsoring one of our equine friends. By choosing to sponsor a horse you will help ensure we are able to keep our program cost free to the youth and families who come here for a time of rest, healing and hope. You will help ensure that they will get the quality time needed, both physically and mentally, to ensure that they can be used in the equine ministry. You will help provide the daily grain and hay needed as well as the farrier service, tack and equipment. You will also ensure that the equine are kept healthy with regular health checks and vaccines.

Simply check a level of dedication you wish to commit to for a period of 12 months. By joining the program you will receive a quarterly update and a picture of one of the horses used by Shiloh Ranch. For any commitment of at least \$25.00 a month you will also receive a Shiloh Ranch Ministries T-shirt.

- Range Boss - \$200.00 per month for 12 months
